Subject Takes Precedence Over Spring Advance of the Allies.

IS AFFECTING LABOR

Kitchener Says No Alcohol Will Be Served in His Home During the War

London, April 1.-The war on alcohol, an outcome of the labor situation in Great Britain, has definitely taken precedence over the much talked of "spring advance of the allies in the west." the reason being that the problem of munitions has become more pressing than that of recruiting,

Pronouncements of cabinet leaders and the letter of King George on temperance are intended to pave the way and sound public sentiment preparatory to either shutting off absolutely the sale of drink in the country, except on physicians' prescriptions, adoption of some measure which, while not called absolute prohibition, will have almost as drastic effect. War Secretary that no alcoholic served in his hou

tion of the war. Today being the centenary of the birth of Bismarck, London newspapers review editorially the career of this German statesman, ending in a break with the present emperor and speculate on what might have been the outcome of the war to date had Bismarck

been at the helm Limit Might Bring Outcry.

It is pointed out that to prohibit the ale of Honor only in the localities where men are engaged in the manufacture of munitions would cause a great outery, and that, aside from total Marshalltown, Iowa, April 1.-John prohibition, apparently the only way of dealing with the matter is a fur-

Some persons favor prohibiting the ever, that the leaders in this matter would not be satisfied except with the most stringent restrictions

There are the question of compensation and the finding of employment for would be thrown out of work.

At a meeting of the Glascow liquor dealers it was decided to ask Mr. Lloyd-George to receive a deputation from them which will suggest a drastic reduction in the hours for the sale of liquor. The same deputation will

VERY NARROW ESCAPE

Two more narrow escapes for jitneys are reported. Last evening at Third avenue and Twentieth street a machine in turning the corner ran so close to a south bound street car that it grazed the fender and passengers in both the street car and the auto held their breaths, expecting a bad spill.

This afternoon at Nineteenth street mill. There was 5,000 pounds of pow- and Second avenue a machine in back-
